FOOD ALLERGY? We cannot guarantee that any of our products are free from allergens (including dairy, eggs, soy, tree nuts, wheat and others) as we use shared equipment to store, prepare and serve them. Consuming raw or undercooked meats, poultry, seafood, shellfish, or eggs may increase your risk of foodborne illness, especially if you have certain medical conditions.

Due to the tremendous request for our catering delivery service, we suggest that you schedule a delivery time well in advance. Orders must be placed no later than noon the day before. We may arrive up to 30 minutes before or after our scheduled time in our effort to offer you the best service possible. Please plan accordingly.

Hot delivery setup is available, should you require that your menu selections stay hot and ready for immediate serving. It's a direct, door-to-door service that includes disposable chafers, sternos and driver set-up. The cost for this service is \$15 per chafer. All orders receive serving utensils, plates and cutlery.
